## WHO ARE WE?

We are a team of passionate and enthusiastic Francophones and Francophiles who will amaze you with our positive attitude and outstanding coaching skills that we deliver to all our students. Here, students are encouraged in a rich, positive environment that complements their French learning. We will coach you in becoming more capable and confident as you gain skills necessary to become proficient in French.

“

I feel lucky that I have joined your club because my confidence and ability in my conversation skills have increased exponentially. Without you, French was merely words from a dictionary on paper with no life. Now I can truly say I am living in French!
